

Our Values

Our shared values underpin all that we are and aspire to be at Hetts Lane.

- ☺ **We respect everyone and everything** (promoting the values of Respect, Acceptance & Honesty)
- ☺ **We always do our best** (Determination, Aspiration & Perseverance)
- ☺ **We are caring** (Thoughtfulness, Empathy & Respect)
- ☺ **We keep ourselves and others safe** (Responsibility, Honesty & Trust)

The teaching and reinforcing of our shared Key Values is at the heart of our curriculum. Through this we aim to promote responsible behaviour, self-discipline, positive attitudes to our learning and each other and encourage a respect for ourselves, for other people, our school environment and the wider world.

Each half term we dedicate time in assemblies and the classroom to exploring one of our key values, investigating its meaning and how it can be portrayed and shown through our behaviour and actions. We enjoy celebrating and rewarding children with a special “values card” when they demonstrate one of our values.
