

Hetts Lane Infant & Nursery School

FS1 News

12th September 2025

Welcome to our first newsletter of the new school year. It has been a pleasure to welcome all of your children into nursery over the last week or so and start to get to know them. Thank you for helping your child to enjoy such a positive start and ensuring that they have everything they need with them each day.

Some upcoming dates for your diary

On **Wednesday 24th September** we will be holding a **Welcome Meeting** in the main school hall at 10.45am. At the meeting we will be talking about the routine of our Nursery session, what your child will be learning, the activities we provide and suggesting ways you can support your child at home. The session will last for about 20 minutes and you will then be able to join your child for a drink and biscuit in nursery where there will be an opportunity to make a donation to Macmillan cancer support if you wish to do so.

On **Monday 29th September**, the photographer will be in school to take individual photographs of the children.

Next Week in Nursery

Next week we will be using the book "Red Rockets and Rainbow Jelly" to help us with our learning.

We will be exploring the colour **red**, talking about things that we can see that are red and making things with different red materials

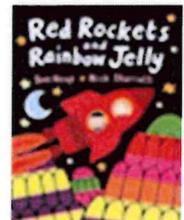

It would be great if you could help your child to spot things that are red at home and on the way to and from school. You could make a collection of red things and take a photo or make a collage of red things using different paper wrappers or create a red picture. We would love to see anything you have created.

Our Rhyme of the week will be "The Wheels on the Bus "

We are also continuing to familiarise the children with our nursery routines, including our "choose it, use it and put it away" rule and encouraging everyone to practice putting on their own coat and know where their peg is.

At Hetts Lane we love sharing books and stories and aim to help your child to develop a love of books and reading.

Next week the children will be bringing home a "Brilliant Book". Please share the book with them, talking about the characters, about what happens and looking at the pictures. Please note we do not expect your child to read the words in the book. We will share more information about reading at home at the welcome meeting.

Thank you for your support 😊

Please also look at the whole school newsletter for other important dates and information.
