Safety

Please help us to prevent accidents by making sure that your children do not run around or climb on the wall & railings in front of school at the beginning and end of the day, children are your responsibility at these times. There are lots of people around at these times and we do not want anyone to get hurt.

We also ask that parents and carers do not allow children to play/climb on the climbing frame in the playground when collecting children at home time.

Thank you in anticipation of your support.

Free School Meals

A letter has been attached to the email with this weeks' newsletter about free school meals, please have a look.

If you think you may be entitled and have not already applied, please make an application using the information given in the letter.

If you have any questions please speak to Mrs Clay or Mrs Towndrow in the school office.

Nut-Free School Policy

To protect students with severe nut allergies, our school is now a nut-free zone. This means:

No peanuts, tree nuts, or products containing nuts are allowed on school premises.

We please ask that all parents and guardians check all food labels before packing lunches or snacks.

Children should not share food with others to prevent accidental exposure.

Staff are trained to respond to allergic reactions.

We appreciate your support in keeping our school safe for everyone.
