

## Hetts Lane Infant & Nursery School

### FS1 News

26th September 2025

Thank you to everyone who was able to attend our Welcome Meeting on Monday. We hope you found the information useful. Thank you also if you were able to join your child for a drink and cake and for your kind donations for Macmillan. There will be an opportunity for you to talk with staff about how your child has settled in during a Parent Consultation during the week beginning 13<sup>th</sup> October - there will be a sheet for you to sign up for an appointment available in Nursery later next week.

Your child will be bringing home their first Brilliant Book today for you to enjoy over the next week and we look forward to celebrating all those children who have completed 4 reads and the reading challenge next Friday. Books will be collected in on a Thursday, so that they will be ready to give out on Friday.

#### Next Week in Nursery

**The photographer will be school on Monday 29<sup>th</sup> September and will be taking individual photos of children during the usual session time. So please remember to bring your smiles!**

Next week is our last using the book "Red Rockets and Rainbow Jelly" to help us with our learning. The children now know the story really well and have enjoyed exploring the different colours.

This week we will be exploring the colour **blue**, talking about things that we can see that are blue and making things with different blue materials.

It would be great if you could help your child to spot things that are blue at home and on the way to and from school. You could make a collection of blue things and take a photo or make a blue collage or picture.

Next week we will be playing memory games and pairs games using blue objects.

Our Rhyme of the week will be "Hot Cross Buns"

*Thank you for your continuing support 😊*

Please also look at the whole school newsletter for other important dates and information.
